To the Office of Chief Executive Officer of The Chamber of Commerce Brantford-Brant, and Executive Committee, Directors, Staff and Members.

Dear Charlene Nicholson, Chief Executive Officer, and others.

Please find the attached link and pdf of the current Brantford Tax Project mission and mission objectives.

My name is Benjamin Doolittle, I have initiated this Project to begin a dialog with the local governments and businesses that reside within Mohawk Territories of the Grand River Country.

This project has the potential to change the face of the local political environment, and how the local governments practice of representation is erroneously applied to the Mohawk Nation., and how that is tied directly to the tax revenue schemes.

I would like to begin an open dialog with your office to share ideas on the project and our objectives.

You can email me or call me at 226 938 1146 to arrange a meeting time.

Nia:wen,
Benjamin Doolittle
