She:kon David Swanson,

I've had the opportunity to meet with many of the past municipal representatives, some at my home, and some I have met on social media and through some meaningful conversations, it has come to my attention that the common Canadian is generally confused about the nationality and citizenship of the Mohawk Peoples.

This letter is an appeal to your conscience so that you may look not just to the public opinion to understand who the Mohawk are. If you listen to the Canadian public opinion, you may hear that Brantford is a 100% Canadian environment (<https://tworowtimes.com/news/local/haudensaunee-land-sold-without-consultation>).

Canadians that I have spoken with believe that Mohawk citizens are somehow entitled to participate within the municipal elections, yet, evidently, as a non-Canadian citizen, the Mohawk people do not qualify to vote or become elected in municipal elections. (Municipal Elections Act 1996 12(3), 17(2)(b))

Under the veil of the secret vote the common Canadian and even the municipal councils presume that 100% of the people both Canadian and Mohawk have participated, assuming undelegated authority and jurisdiction over the Mohawk People. The illusion and paradox created from the secret vote cannot mask the truth of my citizenship to the Mohawk nation, and it must not be confused as a granting or waiver of my Mohawk Civil liberties to the municipal corporations.

I started the Brantford Tax Project (<https://www.brantfordtax.com>) to assert my rights to freedom from tyranny, to date the Corporation of the City/Town of Brantford has arbitrarily made claims that Mohawk are the same as all other Canadians, and that I will be levied and taxed the same as any other nationality.

In a reply to an Open Letter sent to the council; Council-person Greg Martin represented the following claims, and in addition my response to Greg Martin (<https://tworowtimes.com/opinion/open-letter-corporation-city-brantford-council>):

**July 30 2017, City of Brantford (Councilor Greg Martin):**

"Mr. Doolittle, the City of Brantford levies property taxes on property owners regardless of nationality, if you purchase property in Brantford you will be taxed as a property owner the same as any Canadian, American, German, Mohawk, or any other nationality. I hope this helps you better understand our tax system."

**July 30 2017, Benjamin Doolittle:**

"Thank you for your reply which in total is empty and meaningless (vox et praeterea nihil), however the onus is on you to prove your claim. Mr. Martin and others, please provide evidence as proof that the taxation or levies are lawfully applied (and How) to the Mohawk as you claim "regardless of nationality" which is a very arbitrary statement and lends to my points. Your hopes that I understand the tax system further is confusing because you either ignored or forgot to include any evidence how the property tax is lawfully applied to "Canadian, American, German, Mohawk, or any other nationality."

The Brantford Tax Project Mission reads in part, "...the Corporation of the City of Brantford (herein "Brantford") to provide evidence how the Property Tax and Levies are Lawfully Applied to the Mohawk Nation or Mohawk Individuals (For example Letters Patent, Royal Sign Manual, Warrants, Treaty etc:). Upon a failure of Brantford to produce evidence of their claimed authority that Brantford abandon all claims against the Mohawk People, and that all unilaterally foisted obligations are void from the beginning, the mission includes the restoration of all Mohawk Estates, and the complete reversion (Status Quo Ante Bellum) of any and all non representational taxation including any and all unjust enrichments...."

It is my understanding that The Corporation of the City/Town of Brantford has claimed that Mohawk Peoples have a (municipal) civil obligation to pay property taxes to the Corporation regardless of my own Mohawk Civil Liberties, I have no

records or evidence that The Corporation of the City/Town of Brantford lawfully applies its corporate policies and bylaws onto the Mohawk Peoples, and I believe no such records or evidence exists.

Kindly acknowledge and confirm receipt of this email.

Hi David,

Thank you for taking the time to meet with me last nite, and listen to the backhistory of myself and the project, Since you informed you have not visited the main website hosting the full Mission and Objectives of the Brantford Tax Project I will add the mission in its entirety here.

Now that you have had a chance to meet with me, I hope that you take the time to write a meaningful reply to this letter of conscience.

Nia:wen,  
Benjamin

## THE MISSION

The mission of the Brantford Tax Project is to document the liberation of real property within the geographic land mass known as Brantford, using full disclosure we intent to induce the Corporation of the City of Brantford (herein "*Brantford*") to provide evidence how the Property Tax and Levies are Lawfully Applied to the Mohawk Nation or Mohawk Individuals (*For example Letters Patent, Royal Sign Manual, Warrants, Treaty etc.*). Upon a failure of Brantford to produce evidence of their claimed authority that Brantford abandon all claims against the Mohawk People, and that all unilaterally foisted obligations are void from the beginning, the mission includes the restoration of all Mohawk Estates, and the complete reversion (*Status Quo Ante Bellum*) of any and all non representational taxation including any and all unjust enrichments.

The success of the mission will define the liberated real property as repatriated holdings solely under the Mohawk Jurisdiction as extraterritorial lands, outside the jurisdiction of Canada. The outcome of this mission is seen as a diplomatic solution to the lack of political and judicial will of the Canadian government to provide proper restraintment of their local governments from menacing the Mohawk Civil Liberties.

## THE PURPOSE

The purpose of the Brantford Tax Project is to conduct practical exercises that will induce The Corporation of the City of Brantford to provide evidence how the Property Tax and Levies are Lawfully Applied to the Mohawk Nation or Mohawk Individuals. The Purpose of this Project is to meet our Goals as set forth in our Objectives. The goals of the project further include the evaluation of the demanded evidence as proof of Brantford claims, so that I and others can make a determination of the total liabilities, asses our interest and risk of any verified obligation of the Mohawk Peoples.

## THE SCOPE

The scope of our Project includes the liberation of real property within the geographic land mass known as Brantford. To unincorporate the liberated real property as Independent holdings. To alert to and limit the harm done by Brantford's ambiguous representation. To end Brantford's tyranny and claims against the Mohawk Nation. To end Brantford's treasonous contempt for the Canadian Sovereign and their usurpation of the Mohawk Peoples.

## OBJECTIVES

**Housing:** To provide safe and affordable housing to Mohawk families. To ultimately provide Mohawk families with a comfortable and nurturing environment that empowers the development of their community.

**Programming:** To connect people with quality and accessible programs that support participants and community members to gain the tools they need to support the Mohawk Way of Life. Our programs will consistently aim to fill gaps and build partnerships with others working in the community and international arena.

**Be agents of change:** Help to facilitate systematic change by engaging the publics-at-large and policy makers to better understand Mohawk civil liberty issues, while highlighting the stories and voices of Mohawk People with the goal of achieving wider societal change.

**Build Community:** Create and support a community within and beyond the geopolitical boundaries of Brantford where individuals feel safe, loved, cared for, welcome, supported, respected and included.

**Develop as 'learning' organization:** To be a 'learning organization' that is always developing, adapting and growing, as we work to meet the changing needs of our Nation, families and community members.

**Diplomatic Accessibility:** Developing a learning organization is critical to creating an availability of information that will help prevent the diplomatic issues being confused with domestic affairs.

- Work to improve the way that Canadian public companies govern themselves, and the regulatory framework in which they operate, to ensure that the interests of their shareholders and key considerations in business decisions, including the use of corporate assets never outweigh the Mohawk Civil Liberties.

- Be a constructive partner with boards and management and encourage leading companies to adopt the highest standards of governance and act as role models. The Brantford Tax Learning Organization will generally not publicly target the deficiencies of specific companies, but will privately engage them in a thoughtful discussion of our Mohawk Civil Liberties.
- Work with companies and policy makers to ensure that Canadian public companies have governance practices and a regulatory framework that meet or exceed global “best practices”
- To reinvigorate bilateral and familial ties with our faithful and *beloved allies*, through enhanced cooperation with their respective governments and peoples;
- To promote and protect Mohawk national interests;
- To promote trade and investment;
- To promote tourism;
- To enhance official and business visits at all levels of public and private sectors;
- To argue the case for Mohawk Territories as a safe and competitive investment destination because of her strategic location, political stability, cost effective and trained labour force, and efficient telecommunications system.
- To provide consular services to Mohawk 's abroad.
