She:kon Dustin Starchuk,

I've had the opportunity to meet with many of the past municipal representatives, some at my home, and some I have met on social media and through some meaningful conversations, it has come to my attention that the common Canadian is generally confused about the nationality and citizenship of the Mohawk Peoples.

This letter is an appeal to your conscience so that you may look not just to the public opinion to understand who the Mohawk are. If you listen to the Canadian public opinion, you may hear that Brantford is a 100% Canadian environment (<https://tworowtimes.com/news/local/haudenosaunee-land-sold-without-consultation>).

Canadians that I have spoken with believe that Mohawk citizens are somehow entitled to participate within the municipal elections, yet, evidently, as a non-Canadian citizen, the Mohawk people do not qualify to vote or become elected in municipal elections. (Municipal Elections Act 1996 12(3), 17(2)(b))

Under the veil of the secret vote the common Canadian and even the municipal councils presume that 100% of the people both Canadian and Mohawk have participated, assuming undelegated authority and jurisdiction over the Mohawk People. The illusion and paradox created from the secret vote cannot mask the truth of my citizenship to the Mohawk nation, and it must not be confused as a granting or waiver of my Mohawk Civil liberties to the municipal corporations.

I started the Brantford Tax Project (<https://www.brantfordtax.com>) to assert my rights to freedom from tyranny, to date the Corporation of the City/Town of Brantford has arbitrarily made claims that Mohawk are the same as all other Canadians, and that I will be levied and taxed the same as any other nationality.

In a reply to an Open Letter sent to the council; Council-person Greg Martin represented the following claims, and in addition my response to Greg Martin (<https://tworowtimes.com/opinion/open-letter-corporation-city-brantford-council>):

July 30 2017, City of Brantford (Councilor Greg Martin):

"Mr. Doolittle, the City of Brantford levies property taxes on property owners regardless of nationality, if you purchase property in Brantford you will be taxed as a property owner the same as any Canadian, American, German, Mohawk, or any other nationality. I hope this helps you better understand our tax system."

July 30 2017, Benjamin Doolittle:

"Thank you for your reply which in total is empty and meaningless (vox et praeterea nihil), however the onus is on you to prove your claim. Mr. Martin and others, please provide evidence as proof that the taxation or levies are lawfully applied (and How) to the Mohawk as you claim "regardless of nationality" which is a very arbitrary statement and lends to my points. Your hopes that I understand the tax system further is confusing because you either ignored or forgot to include any evidence how the property tax is lawfully applied to "Canadian, American, German, Mohawk, or any other nationality."

The Brantford Tax Project Mission reads in part, "...the Corporation of the City of Brantford (herein "Brantford") to provide evidence how the Property Tax and Levies are Lawfully Applied to the Mohawk Nation or Mohawk Individuals (For example Letters Patent, Royal Sign Manual, Warrants, Treaty etc:). Upon a failure of Brantford to produce evidence of their claimed authority that Brantford abandon all claims against the Mohawk People, and that all unilaterally foisted obligations are void from the beginning, the mission includes the restoration of all Mohawk Estates, and the complete reversion (Status Quo Ante Bellum) of any and all non representational taxation including any and all unjust enrichments...."

It is my understanding that The Corporation of the City/Town of Brantford has claimed that Mohawk Peoples have a (municipal) civil obligation to pay property taxes to the Corporation regardless of my own Mohawk Civil Liberties, I have no

records or evidence that The Corporation of the City/Town of Brantford lawfully applies its corporate policies and bylaws onto the Mohawk Peoples, and I believe no such records or evidence exists.

Kindly acknowledge and confirm receipt of this email.

Kwehkwe Mr Doolittle,

First off, Nai:wen for reaching out and connecting with me. It is extremely important that candidates connect with all constituents in the community on many different levels for many concerns. My job is to represent the people of my community without prejudice and to the best of my understanding and beliefs that are within reason that is legal, ethical, and moral. With that being said, I would like to extend a hand to learn further about the above email and we can meet in the near future in person. In that time, I will do my homework and read through the material you have provided for me so that I am up to speed when meet.

Unfortunately, I am out of town quite a bit for a few events and family matters over the next two weeks but we can certainly look at connecting August 21, 22, 23, 24.

I look forward to speaking. Niawen'kó:wa.

Sken:nen Dustin,

I politely request that you do not address me as Mister (Mr), It may seem trite, however my understanding of the Title mister may confer some sort of legal or moral assumption, my honor should not be confused with being part of the British or colonial rank and file system.

I am pleased that you have taken the time to reach back with your reply, that you find "extremely important that candidates connect with all constituents in the community" and that you want "to represent the people of my community without prejudice and to the best of my understanding and beliefs that are within reason that is legal, ethical, and moral."

This is why I would like to appeal to your conscience in understanding the difference between your constituents as members of the Canadian society, and the Mohawk as Non-constituents and as Non-Citizens of the Canadian society.

Since 2008 I have sent letters to the council asking for the answers to these two questions, they are designed to be exact and in a socratic fashion they should with all reason show that the municipality can not represent the Mohawk or the Mohawk Individuals, regardless of their proxy to other canadian communities.

In this video you can see the corporation of the city of brantford agent-Jan Vanderstelt does not even know if we where his constituents, before tax and levies where applied to our property. https://www.youtube.com/watch?v=rxl_xKZxXmk&t=4s

I will be available to speak to you at your earliest convenience.

Nia:wen'kowa,
Benjamin Doolittle

I forgot to include the two questions I make reference to in my reply, you can see the letter I sent to the Council and CEO, <https://www.scribd.com/document/248567282/Third-Letter-Re-Encounter-With-Corporate-Representative-and-Reach-of-Constitutional-Representation>

Does the Office of Mayor and /or Council of the Corporation of the City of Brantford represent Kanienkehaka (Mohawk)? We Answered: " No, Kanienkehaka have a pre-colonial representational framework that is integral to the maintenance of their culture."

Do Kanienkehaka (Mohawk) qualify to vote or become elected in the municipal elections? We Answered: "No, according to the Municipal elections act, you must be a Canadian citizen, Kanienkehaka are NOT Canadian citizens.
