

# STANDING UP FOR CANADIANS

**PHIL  
MCCOLEMAN MP**  
BRANTFORD-BRANT

## Dear Constituents,

Summer is in full swing and it's great to be in Brantford-Brant! Already, I've had the opportunity to connect with constituents, tour local businesses and attend several wonderful celebrations, including Canada Day ceremonies and the International Villages Cultural Festival. I'm looking forward to taking part in many more events our community will be hosting in the coming months.

Earlier this year, my annual Passport Clinic and Community Shred Day were hugely successful! Hundreds came out for assistance with their passport applications and to securely dispose of their sensitive documents.

As many of you know, Parliament wrapped up at the end of June and I am pleased to report that it was a very productive session. My colleagues and I have been standing up for everyday families like yours, holding the government to account on important matters like the Liberal carbon tax, illegal border crossings, proposed firearms legislation and changes to our election laws.

I have also been working hard to serve Canadians in my role as the Shadow Minister for Veterans Affairs. Over the past few months, I have travelled across Canada to participate in various meetings and roundtables, listening to and relaying the concerns of our veterans. More recently, I was honoured to accompany Canada's war heroes as they returned to the battlefields of Korea. We visited numerous war memorials and attended remembrance ceremonies in commemoration of the 65<sup>th</sup> anniversary of the Korean War Armistice.

Looking ahead, I will continue serving the Brantford-Brant community both here at home and in Ottawa.

As always, I enjoy hearing from you. Please do not hesitate to get in touch with any questions, concerns or feedback you may have!

Sincerely,
